

YOU

ARE ABOUT TO
PARTICIPATE IN A
MASSIVE
POWER SHIFTING
EXERCISE

F.A.Q.

Q: Who made this?

A: Who knows?

Rumors are, it's a group of writers from several mainstream dailies - including the *New York Times*.

Q: How many copies have been printed?

A: 1.2 million nationwide (mainly New York and Los Angeles.)

Q: Why?

A: To help jump-start our imaginations after eight years of hell.

Q: Aren't you going to get in trouble for this?

A: Don't be silly - Ben Franklin once did a fake newspaper too. If anyone gives you a hard time, just tell them to contact legal@nytimes-se.com.
